Varsity Football 1-6

1st row: Coach Pervear, Grumoli, Levanto, Frautschi, S. Hawkins, Bosworth, B. Green (capt.), Malcolm, Renner, Glover, Gonzalez, Boas, Grady. 2nd row: Hamon, Watson, Macca, Russell, Polisky, Salvio, Harasyko, B. Soltis, Romig, Blessis, Chase, Bitting, Wright, Coach DeSalvo, 3rd row: Coach Waskiewicz, H. Walker, McBain, B. Smith, Gleason, Goulet, Burdge, Mailhouse, Coach Burns, Coach LaPlante, Hudson.

The 1979 Varsity Football Squad had a depressing season, haunted by many upsets. Record-wise, the team was not successful. However, the 1978 team was far more spirited than any previous football squad here at Suffield. The team was lead by a strong coaching squad, with head coach Leon Waskiewicz, and assistant coaches Bill DeSalvo, John Burns, and Jerry LaPlante. The team's offensive unit was successful when in full strength, but throughout most of the season, it was plagued by injury. The team produced a very strong defensive, known as the "Orange Crush".

This season was head coach Waskiewicz's last season after many years as coach. He will be missed greatly by all who have known him as coach.

Girl's Field Hockey 3-5-3

1st row: Skaff, Welch, Flynn, Forsman, Spurr (co-captains), Mitchell, R. Smith. 2nd row: Coach Drinker, Quirk, Hagen, Meili, Raynard, L. Palomba, Shaffer, R. Chase (manager).

Even though the girls' Varsity Field Hockey team's season was not a winning one we feel that we have won in many other ways. Our coach, Mrs. Drinker, gave the team a great deal of support and enthusiasm, despite our constant feelings of defeat and frustration.

Our strong attacking line was made up of Lili Hagen, Jill Skaff, Kendra Quirk, Judy Mitchell, and Carla Meili; that line contained many diversified individuals. From Jill's constant state of hyperactivity, to Judy's Hawaiian shorts, to Carla's continual contact with the ground, to Lili's vampire joke, and Kendra's ballooning ankles, we feel that this variety added to the character of our magnificent team. Our forceful halfbacks also combined to make a strong defense. Co-captain

Ann's double stuff Oreos, Lisa's multi-pigtailed hair, Amy's purple hot pants, Alison's quiet comments and Robin Smith's crazy cackle. The fullback positions were played by Grace Flynn, with her boisterous verbal objections towards our opponents as well as the referees. Laurie Shaffer's endless heckle, and Kathy Gondarowski's nagging neck, kept away the opposing team.

Our goalie and co-captain, Bev Forsman, verbally aided us in fundamental coaching techniques from the net, with an occasional chocolate bar or two. She added confidence, as well as sweetness to our team.

Thanks to a colorful team and a terrific coach. The season was indeed a successful one. Thank you, Mrs. Drinker.

Boys' Cross Country 2-8

1st row: Grieb (co-capt.). 2nd row: Stanley, Berzofsky, Fogg, Kaplan. 3rd row: Mario, Aurichio, Shaw, Murzda, Kleszczewski. 4th row: Coach Glover, B. Green, Kieger, Barberi, D. Drinker, Edgcomb, Rarus (co-capt.), coach Compton.

This season has been an exceptional one with strong and demanding coaches, supporting captains and spirited teammates. Due to the loss of five major runners, our season was shaky, but was pulled together late in the season by the surprising strength of Bill Murzda and Chris Shaw.

Our training began early in the season, before school even started, at a place called Tunxis in the Berkshires. The house was owned by Gordie's brother, Hank. We ran hard there, and tested our talent, running with the famous Andy West for twelve miles. We all ran well and experienced a growth of pride and a feeling that we would have the best team that hit Suffield.

Since Tunxis, our team members began to drop like flies. Halfway through the season it was all up to York Mario. At this point we began to lose, not only meets, but also team confidence. All of a sudden, out of nowhere arrived two underclassmen, and our spirits revived. Our last race

was our best. The stakes were high, the odds were against us, but Grieb and the team were super-psyched. With total effort and drive, the Suffield Cross Country team won the race excitingly.

In reflecting on the season, there is much to say, but these phrases will help bring back the memories of how close the team was. There was the Hydrotherapy group at Tunxis, Grieb's awful harmonica, singing in the vans, The Indian, Rufus' rabbit run, tough guys, Grover, seven lost runners on the six mile loop, excellent managers: Rosene and Figueroa, good weather and the last race.

As a senior it is sad to leave Suffield and its Cross Country program, but the underclassmen are all ready to go and race hard in the next season. With runners like Murzda, Shaw, Edgcomb, Drinker, Fogg and others, Gordy Glover should be exalted about the next season.

Girls' Cross Country 1-9

1st row: McManus, Milosis, Keney, Harrop, 2nd row: Drapeau, Labun, Sheehan, Woods, Carroll, Starr (capt.), Rosene, Figueroa (mgrs.) 3rd row: Coaches Compton and Glover.

Although the girls' cross country team finished its season with only one victory over Hopkins Grammar, the team displayed a tremendous amount of spirit and zeal.

The consistent efforts of Nina Harrop, Lisa Keney, Judy Woods, Mary Drapeau and Captain Jennifer Starr, combined with the reinforcing efforts of Linda Labun, Mary Carroll, Nancy McManus, Chris Milosis, and towards the end, Claire Sheehan, helped develop a VERY determined team.

Without the mathematical mind of Gordon Glover, who at times lead us to believe that the six mile loop was actually three, and the wishful thinking of Mr. Compton when he entered the girls' racing team for a "llamathon", thinking it would be a breeze for us, and a good workout for them, but quite the contrary for all. Behind these coaches we had a lot of encouragement from Margaret Figueroa and Abby Rosene, as well as from Grover.

Along with the girls' racing team, this year we had three very diligent intramural runners, Donna Goldbach, Colleen Green and Yoshi Matsuda, who, even though they had never run before, showed tremendous improve-

ment throughout the season.

Even with the loss of three seniors, Judy, Nancy and Jennifer, there still remains a solid foundation of girls who will bring Suffield yet another year of strong, competitive racing as seen in the past.

Boys' Varsity Soccer 6-6-2

1st row: Giordano, H. Adib-Samii, A. Ostadali-Makhmalbaf, Stephens, Stone, Rice (co-capt), Killam, Vechmamontien, Abberley, Kalali, G. Schattman. 2nd row: Coach Graden, McKenzie, C. Coates, J. Palomba, Vogelmann, Van Law, Goodwin, Meyer, Currey, Aaron, Goodarzi, Bradley, coach Gooch.

It was a season of high ups and very low downs, but overall we were successful. As a team unit we strived to play our very best and when we did we were awesome. A reflection of this had to be the game against Pomfret, who had not lost a game in thirty-six outings, as we fought and won our toughest game, 1-0.

Outstanding performances were seen in every player at one time or another, but much credit must be given

to such players as Jim Van Law, who did an outstanding job in his first year in goal. On defense there was no one to match the ability of Jim Goodwin or the hustle of Kevin Stone. Likewise on offense no one could match the speed and scoring prowess of Hugh Rice. But overall the credit for our hard-earned wins and tough-fought losses must be given to the team as a whole.

Ours was a tight group of players who strongly loved and wanted to play soccer, and who put their noses to the grindstone when needed. The comeback victory against Berkshire and the near-miss against Deerfield, show that determination and spirit. Our record was not fantastic but the moral and spiritual victories won made the season a truly enjoyable and unforgettable one.

The co-captains want to give much recognition and thanks to Coaches Gooch and Graden who offered their friendship, knowledge, and love of the game to each of us.

Girls' Varsity Soccer 5-8

1st row: Brennan, Krasner, McCormack, Tucker (co-capt.), L. Mackey, Gallup, Kinne, L. McCullagh.
2nd row: Rudder, Samuelson, R. Kennedy, Fuller, Dustin, White, Alford, Smith, Coach Downes.

Although the record 5-8-0 does not show it, the girls' varsity soccer team had a fairly successful season. We had many strong and experienced players, and our coach Mr. Downes, was no longer new to the style of girls' soccer. Coach Downes organized a strong team of jet-like strikers, dashing halfbacks, a fast and fierce fullback, and goalie, Helen (pull 'em up) Smith.

We started the season by beating Ethel Walker for the first time, by a score of 5-3. We then lost to Hotchkiss 1-4. In defeating Berkshire, everyone had a fantastic game. After that victory, however our record started declining and we won only a few more games. In the best game we played we lost to Williston, 3-1.

Next fall, many of the team's players will be gone. We wish the team the best of luck in next year's season. "We'll be back to play you in the alumni game!"

Thanks to Cindy and Sue. We really appreciate your contribution to the team. A very special thanks to Coach Downes from all of us. Good luck and thank you.

"Getting ready for Orientation . . .!"

"Welcome to Suffield"

Just wandering around to see the new place.

"Here's your schedule"

"Your turn, Sir!!"

Being a new student can be exciting and somewhat scary. Entering into a new environment and trying to adapt in two days can be relatively traumatic. Orientation is designed to ease this trauma.

The more ambitious faculty members, together with the new students, undergo a series of mental and physical exercises in which they all must cooperate to achieve the final goal. These activities include part of the Outward Bound course, some of which are: the early morning runs, the collective climbing of a fourteen-foot wall, as well as many other surprises.

This program is very instrumental in getting the new students to open up and become part of the Suffield community.

Boys' Varsity Swimming 1-11

1st row: Straus, Aaron, C. Soltis, Spitzler, Salvio, Drasher, Behzad Nasre-Esfahani, Coach Fischer, 2nd row: Coach Hilyard, McCullagh, Sutphin, G. Young, Ladjevardi, 3rd row: Murdza, Sokol, S. Schattman, P. Drinker, Babcock, Senkfor, G. Lewis, J. Green, Pruitt, Zeytoonjian, Fogg.

Our losses were eleven,
Our win was one.
But don't let that fool you,
Our defeats were none!

Such is the cheer of a certain swim team from Suffield Academy. We were never defeated despite our many losses, because we kept striving and striving if not to beat other teams, at least to conquer our own times. David Hilyard, head coach, and Fred Fischer, assistant coach, led us with their never ending perseverance to have us improve both physically and emotionally.

We hope to do much better next year because of the large number of returning swimmers. There was only one senior, Guyer Young, whose main concern was to get out of his oversize bathing suit and into a Speedo. The team was led by Captain Justin Salvio, supported greatly by Dave Spitzler, Jeff Green, Prescott Fogg, Chris Soltis, Graham Lewis, Mark "Try Anything" McCullagh (who holds the all around D.Q. award), Flip Drinker, Brian Aaron, and Peter Drasher. There are many other fine swimmers who contributed greatly to the team. Yes, these are all fine swimmers, and that is why we plan to do so well next year. After all, from the bottom, it's hard to go any way but up.

We worked and we stroked,
And now we are done!
But our infamous swim meets
Were sprinkled with fun!

Girls' Varsity Swimming 3-8

Despite our losing record of 3 wins and 8 losses, this year's girls' swim team built a strong foundation for what is sure to be a successful team next year. One burden we always faced was the smallness of our team. It took great courage for the girls to enter a meet with 9 swimmers when our opponents had 25!

However, our few victories made the season worthwhile. Our first win was a combined effort with the boys to kill Worcester Academy. A week later, the girls displayed a fine performance as they swam past Canterbury. Our final meet against Miss Porter's proved by far to be the most exciting and meaningful. Having lost to MPS a week earlier in our own pool, we were bound and determined to get them in their pool. And so we did! We killed that MPS team 41 to 38. Our team took seven first places out of only ten events, and everyone beat their best time.

1st row: Dawley, Samuelson, Carroll (capt.), McManus, McDaniel, Quast (mgr.), 2nd row: Fuller, Quirk, J. Lewis, V. Chrisman, Buice, Bradley, Burek, coach Drinker, Missing: Coach Hamlin, L. McCullagh, Sheehan, Bickford.

Many new swimmers this year (Sally Bickford, Leslie Bradley, Nancy Dawley, Claire Sheehan, Celeste Buice and Martha Fuller) were a significant help to the old Suffield swimmers (Linda McCullagh, Mary Carroll, Renée McDaniel, Martha Samuelson, Nancy McManus, Vera Chrisman, Kendra Quirk and Jennifer Lewis). With only three teammates graduating in '79, next year is sure to be a success.

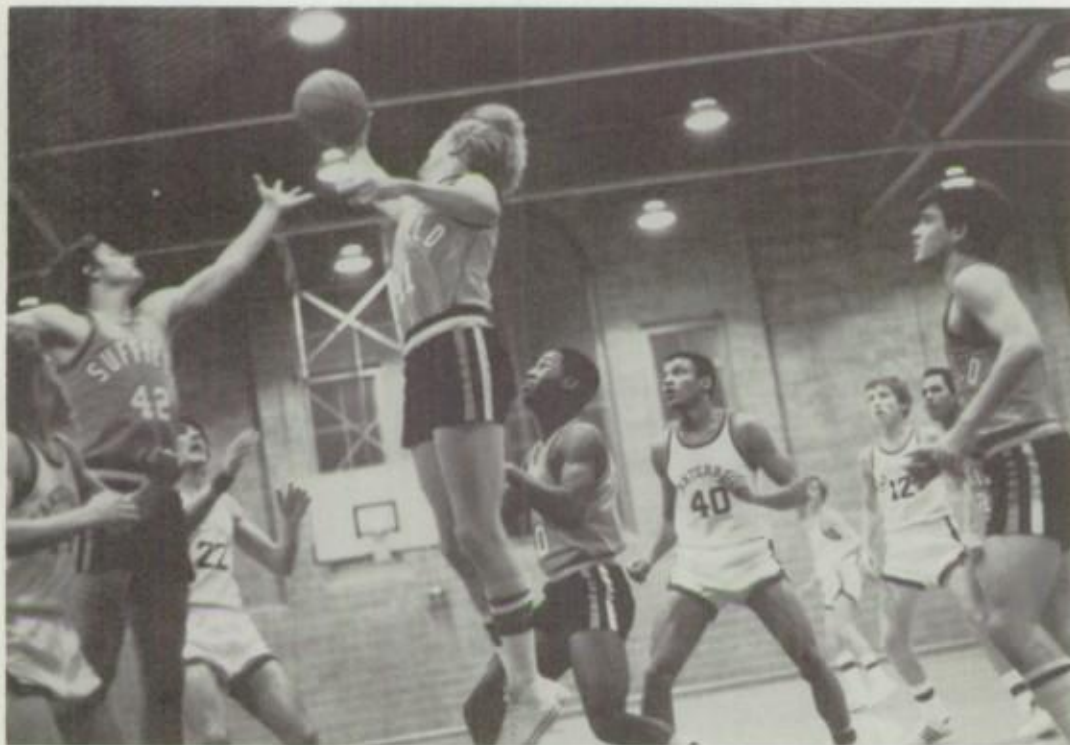

Special thanks to Mona Quast, our faithful manager, and especially to Suzanne Hamlin and Mary Drinker, our two new coaches who remained spirited and enthusiastic throughout. We're all looking forward to a great 1979-1980 season.

Boys' Varsity Basketball 16-5

1st row: S. Hawkins, Rugbart, co-capt. Aurichio, Watson, R. Hawkins, Grumoli. 2nd row: Currey, Cotnoir, Carey, Goodwin, Meyer, Figueroa, J. Glover.

Last year's unprecedented 19-1 record was definitely a hard act to follow. However, the 1978-1979 Varsity Basketball Team came away from this season looking very good. The Tigers achieved runner-up status at the Kingswood Invitational Tournament and in the New England Prep School championships. If there is one thing that should be said about this year's team it is "that they got the most out of what they had." There have been teams in previous years that had more talent but did not perform nearly as well. The team and the school should be very proud of this year's accomplishments.

Co-Captains Ken Watson and Lou Aurichio were the only returning lettermen this year. The remaining three starting positions were filled by Jim Goodwin, Joe Glover, and Mark Grumoli. The strengths and abilities of each player blended well to form a surprisingly strong unit. Jim Meyer and Randy Hawkins came off the bench to provide effective help in the front and back court. The driving force behind this team, however, was generated by the loyal and enthusiastic group who did not see much playing time. They worked hard every day in practice to prepare the starters for games. Obviously, the team would not have been a team without them. Sincere appreciation and warm thanks are extended to Coaches Kinne and Pervear for their hard work and dedication. Good luck to all Suffield basketball teams in the future!

Girls' Varsity Basketball 8-7

This year, with only three returning varsity basketball lettermen, the team hustled to a winning season. Our record of 8-7 does not truthfully portray the total effort that was generated through the spirit of the girls. Many of our losses were only by the margin of a few points including Kingswood, Canterbury, and Hotchkiss. We had big wins over Miss Porter's (40-29) and Pomfret (45-22) along with a well-deserved, one point victory over Berkshire.

The team will be losing four seniors this year, but the strength of the remaining underclassmen is an indication of a promising and productive season next year. The team would like to thank coach Wasky for a great season and a delicious meal.

1st row: Keney, Brennan, Kinne, Karanian, Mackey, (co-capt.) Skaff, Forsman. 2nd row: Coach Waskiewicz, Raynard, Spurr, Dustin, Howell, Mitchell, Morris, Labun.

Boys' Alpine Skiing 1-15

Rockwell, Olsen, Renner, Divine, G. Schattman, O'Sullivan. Missing: Grady, Malcom, Gleason, Kaufman.

From the standpoint of wins and losses, this would not be considered a productive year. We were able to win once against Trinity-Pawling and fell repeatedly to the other powerhouses in the league. The important thing about this year's team was that they never gave up. We made considerable progress during the season and were never totally out of any meets. Having worked with Suffield ski team for twelve years, I would have to call the 1979 Varsity Ski Team the best group of individuals I've had the pleasure to work with in several years. We are developing a solid nucleus of

underclassmen and with help from the Admissions Office, the only way we can go is up. If attitude had won races the team would have been champions.

The team's most consistent performer was Glenn Schattman '79, followed closely by Jeff Kaufman '81 and Geoff Rockwell '82. When Shane Grady '79 and Rich Malcolm '79 stood up, they were very competitive. Ed O'Sullivan '80 is improving rapidly with experience. Brad Divine '80, racing for the first time, shows promise for next year. Bill Olsen '81 and Chris Gleason rounded out the squad.

Girls' Alpine Skiing 0-8

McKenzie, Rainsford, Harrop, Meili, Welch, Alford, Krasner, Coach Rockwell. Missing: Coach Clark, Scudder, DeTurk.

Suffield is still in the process of trying to establish its Girls' ski program. Linda Scudder '79 has been carrying the major share of the burden. With her graduation in the spring this task will fall to a solid group of underclass members; Kim Wills, Carla Meili, and Alison Welch. The team will also lose to graduation Angela Rainsford, and Nancy DeTurk. Returning next year as seniors will be Lisa McKenzie, Nina Harrop, and Maria Alford. It's difficult when we keep trying but do not realize that all good things take time! I must say that spirits were always good, even in the rain and ice of '79. Regardless of wins and losses, everyone who skis at Suffield can look back with fond memories on the camaraderie and fun we all shared, whether it be Nancy DeTurke's spectacular crash or Lisa's adventures in the lodge. The addition of Catherine Clark allowed us to expand the program and her driving skills and moral support were greatly appreciated.

Riflery 6-5

1st row: Randall, Nath, Piccus, Beaudry. 2nd Row: Kaplan, Chow, Keiger, Swanson, Regalbuti.

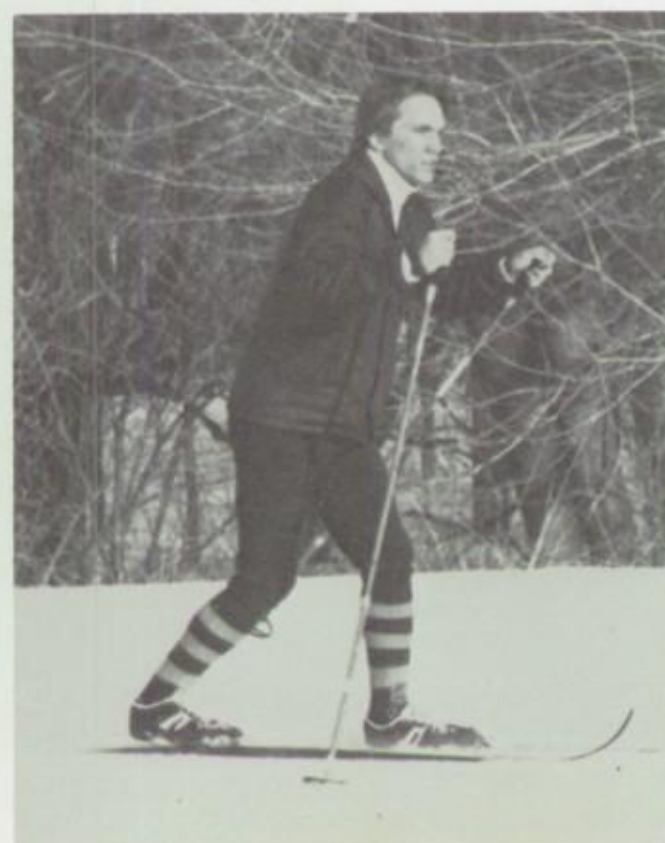

This year the Rifle team ended up with a 6-5 record. We started out with four returning men: Dan Pease, Bob Piccus, Matt Grieb, and Mike Swanson, who made up the nucleus of the team. They were joined by Bill Kieger, Brian Kaplan, Thomas Uribe, Stacy Nath, Matt Beaudry, Rudy Chow, Jeff Randall, Diane Donafrio, and Sam Gladstein. We lost a couple of close matches by a few points but we still came out ahead. Next year the team will be short four men. Hopefully they will be replaced. Good luck to next year's team. Thank you, Coach Banks, for your time and effort.

Nordic Skiing 1-5

1st row: Wright, McKinnon, Mullins, White.
2nd row: J. Rockwell, Gerardo, Carstens, Frechette, J. Smith, Kleszczewski, Orr, Bond. 3rd row: Hudson, Wolfe, Bloznalis, D. Drinker, Thomas, S. Goodwin, Fox, Coelho, Reese, Azaredo, Karch.

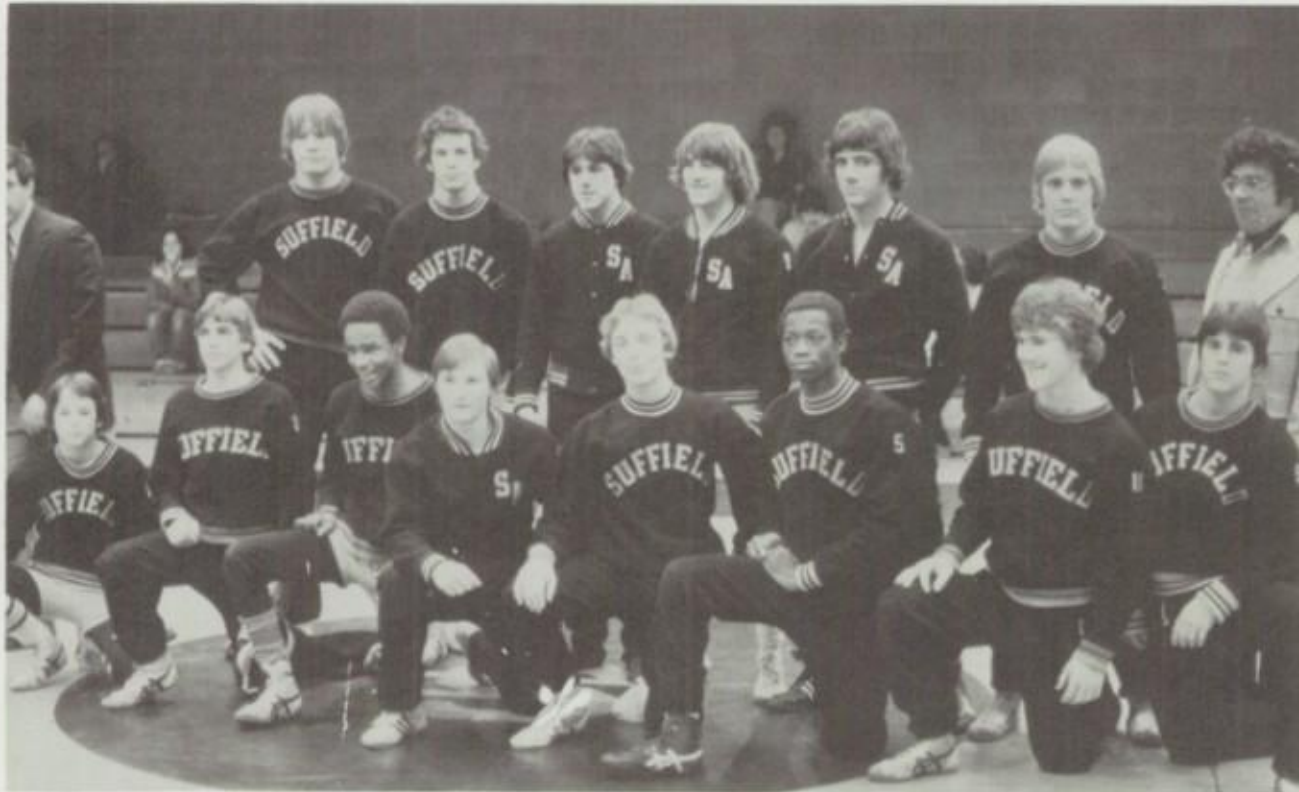

Many of the hopes of this year's team were washed out with the rains of January. We had potentially the strongest team in years, but also the worst skiing weather in quite a few seasons. More meets were canceled than were held, and we found ourselves going to meets with little or no practice.

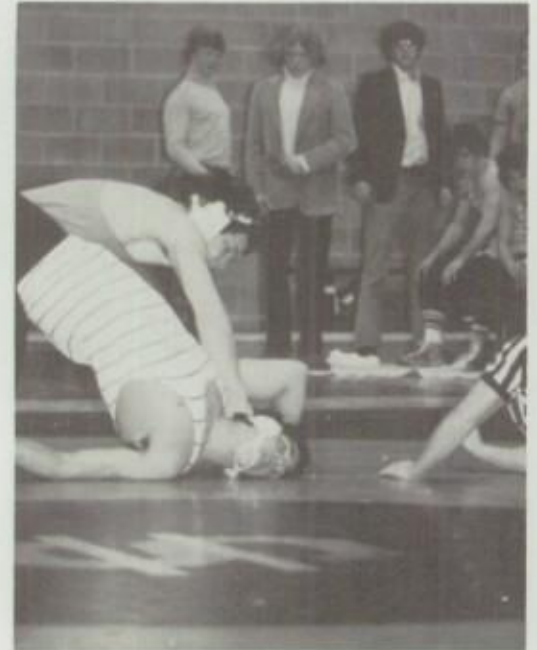

As usual, the Berkshire Ski League offered tough competition, and we were able to score only one victory over a weakened Salisbury team. But several new skiers emerged this year to help the team effort. Sammy Orr finished first in the dual meet against Simsbury High, Dave Drinker gave an excellent first-year performance and Peter Bloznalis came out of nowhere to strengthen the top group. Veterans Rod Frechette, Josh Smith and Ken Coelho provided the experience and encouraged some promising newcomers: Ken Kleszczewski, Dan Carstens and Todd Wolfe, who gave the team the depth it lacked.

In spite of the fact that February was almost snowless, enthusiasm and morale remained high. The excellent team spirit, coupled with a promise of some strong returning skiers, makes next season look a little brighter.

Varsity Wrestling 10-0

1st row: Williams, 98; Adler, 107; Baker, 114; Young, 121; Cierniewski, 119; Peters, 126; Russell, 138; Giordano, 132. 2nd row: Coach Peraino, Burdge, unl.; Arnold, 169; Levanto, 169; Chase, 169; Mario, 145; Coach DeSalvo.

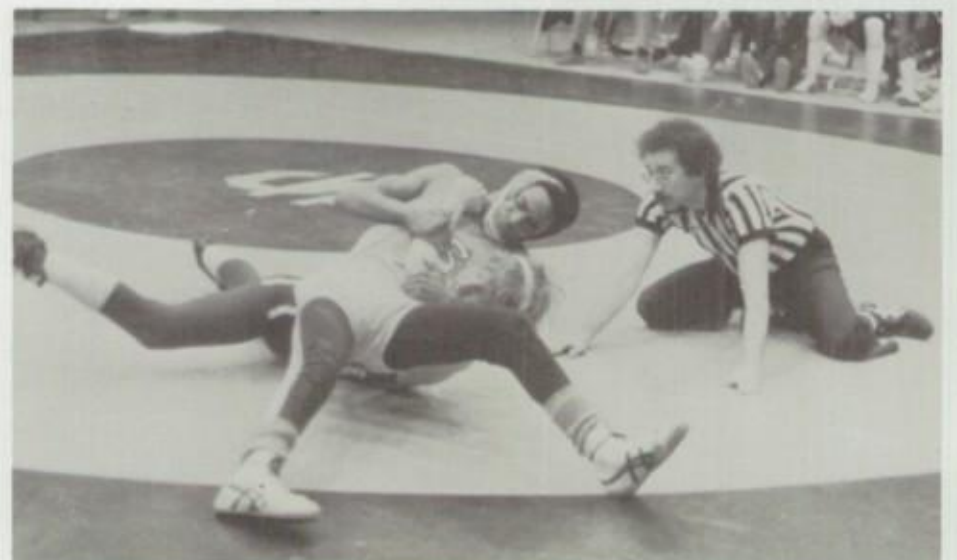

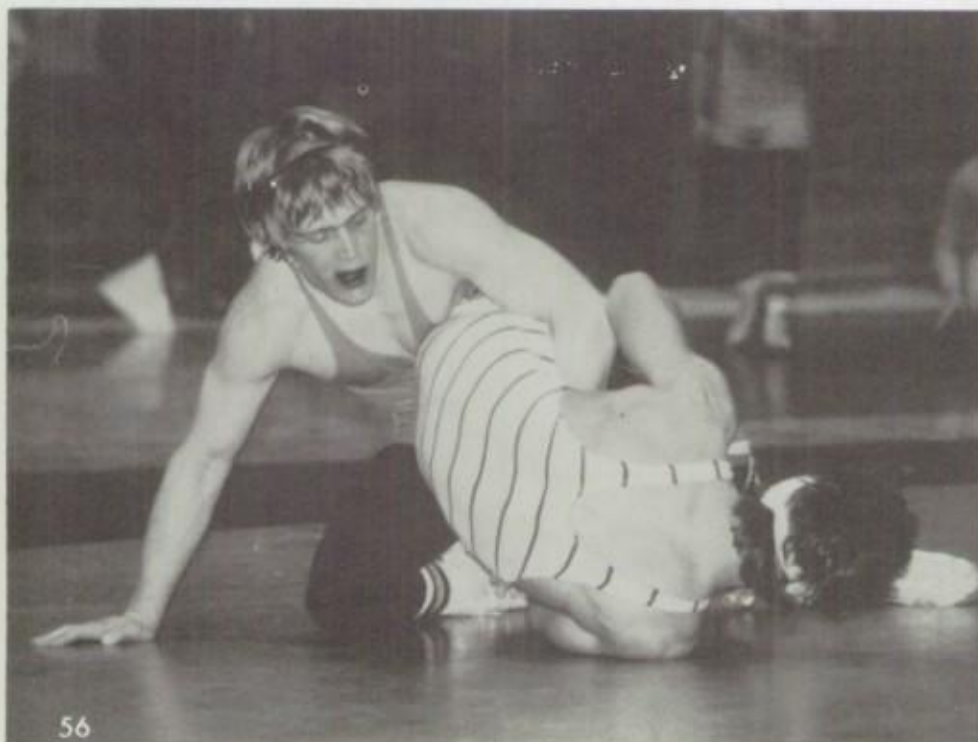

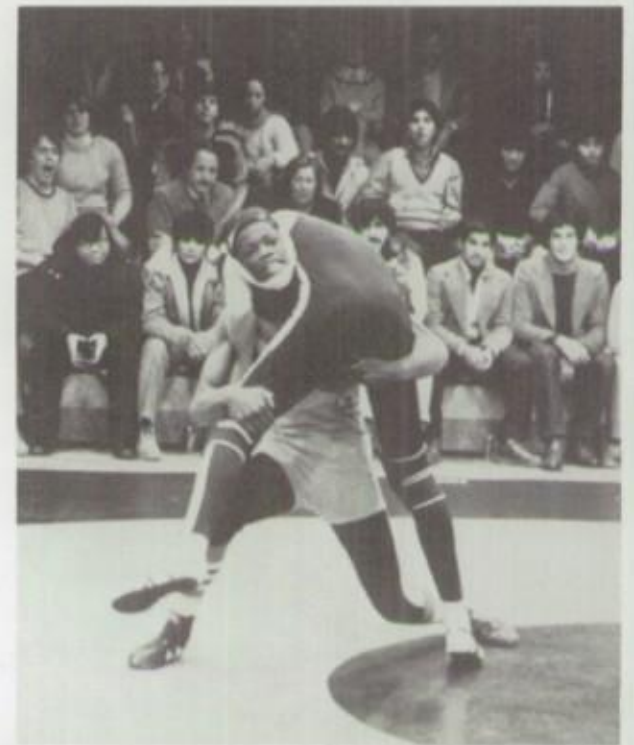

We ended the season undefeated and with the Western New England Championship Trophy. Coach Frank P. Peraino created a solidarity in the team that allowed us to conquer the opposition, the most impressive being the win over Loomis Chaffee (31-21).

Chester Peters is a part of Suffield's wrestling history, after being the state and national finalist, but every member was valuable. Flip Williams and Ken Lohr won the state finals, while Capt. Brian Green placed second in the States and went on to wrestle in the Nationals. Phil Baker, John Giordano, York

Mario, Tim Arnold and Bruce Burdge come off with thirds, and the squad finished with a 27 point lead over the second place team, Loomis. Flip Williams and Tim Arnold went on to place second in the New England.

Special recognition should go to all those whose names are not mentioned, because of their long, hard dedication that helped make Suffield Wrestling a powerhouse. Coaches Peraino and DeSalvo should be given recognition for their dedication and concern for every member of the team.

Varsity Hockey 5-7

1st row: Flynn (mgr.), Edgcomb, Stone, Goodman (tri-capt.), R. Foster, R. Stanley, R. Coates (mgr.), 2nd row: Stremmel, Tolsdorf, Gary, Coombs, G. Ahrens, J. Stanley, Rarus. Missing: Coach Stone, Stephens (tri-capt.).

This year's Varsity Hockey team had a disappointing season. Starting out on the wrong foot, we lost to Enfield, later beating them by a substantial margin. After this, Bill Stone took his team to the Loomis Tourney, which the team lost. Skating two hours a day, we went on to defeat Kingswood. We also lost to Suffield High in an action packed game, 4-3. The team did have its high points, defeating Wilbraham-Monson with only 25 seconds to go. Another of the great wins was

against East Catholic High School in a 9-0 rout.

This year's team will be losing its tri-captains, Bard Stephens, Kevin Stone and T. R. Goodman. The team will also be losing four-year men like Bob Stanley and Andy "Bagle" Rarus. Some of the other seniors that are leaving include Cole Stremmel, Jamie Gary, Matt Cartmell, and Fred Tolsdorf. All of those seniors will be remembered for their extensive contributions. They will be missed greatly. Good luck must be extended to next

year's returning players. There is a lot of determination and hustle in these remaining players, and the 1979-1980 season should prove to be good.

Thanks also needs to go to Coach Stone, who, it is hoped, will return next year. Thanks for the memories and good luck. You have brought us back to games when we were down; nothing more can be asked of a coach. Thanks again. Thanks also to our managers, Grace Flynn and Robbin Coates. Good luck.

This was the second year Suffield offered Dance as a winter sport option. The term began with a class of fifteen and grew in size, ending with nearly twice the original number. The dance class met in the airy and cold exercise room four afternoons a week. The instructor, Anne Marie, started

the class with an hour of floor and stretching exercises; the second hour was designated to learning and perfecting a series of routines. With the large size of the class, and the varied talent of the students, we had a feeling of disunity and a fluctuation of mood.

In February, the class moved through a series of dances, performing for the school.

The stars of the class were Beatriz Roche, Claudette Wilkins, Nadine Roche, and Abby Rosene. Everyone else had a great time, and thanks to Anne Marie.

Varsity Baseball 4-8

1st row: Renner, R. Hawkins, C. Soltis, Coates, Fenton, Killam, R. Stanley, 2nd row: Keney (mgr.) J. Stanley, Grumoli, F. Figueroa, Cotnoir, Blessis, DiLuzio, Rarus, Coach Cleary.

Under the guidance of first year coach Barry Cleary, varsity baseball enjoyed a successful season. The '79 season can be termed successful for various reasons. First, the team members developed a supportive attitude and in so doing enabled themselves to learn and appreciate the experience. Also, some fairly powerful teams were shown that despite the lack of a spectacular record, Suffield baseball was again a viable force. The nucleus of the team was made up of seniors who combined leadership and talent to add respectability to this year's squad. They are Chris Coates, who displayed a strong arm and also led the team with a .526 slugging percentage and Mark Grumoli, who had a .395 average and played outstanding defense.

Andy Rarus added expertise to the mound and sound defense, Fig Figueroa with his ability to make some superb catches in left field. Bob Stanley played a classy centerfield while hitting .322, and Reid Renner played hard and used his shotgun arm in right field to keep other teams off balance.

Varsity Softball 10-3

1st row: R. Coates, McDaniel, McCormack (co-capt.), H. Smith (co-capt.), L. McCullagh, Schrager.
2nd row: Coach DeSalvo, Brennan, Samuelson, L. Palomba, Wells, Kinne, T. Landers.

squad fought from a 6-0 deficit against Kingswood to overpower a fine team. Against Williston, another arch rival, Linda McCullagh, Sue Schrager, and Kim Wells spearheaded a 27-hit attack which completely demoralized the opposition. The team will sorely miss the talents of its seniors as they were the core of our success. Yet, the future holds promise since the key positions of pitcher, catcher and first were held by underclassmen Martha Samuelson, Kim Wills and Kelly Kinne.

Led by its co-captains Sheila McCormack and Helen Smith, this year's Varsity Softball team enjoyed a highly successful season. After losing two of the first three games, the team turned it around to win the next nine in a row, and finish with a 10-3 record. Helped by the fielding of shortstop Jennifer Brennan and sophomore Robbin Coates, come-from-behind victories were achieved over Berkshire and Miss Porter's. From then on, the players played with a confidence and mental toughness that proved to be the winning edge in a number of games. Helped by the vastly improved hitting of seniors Lisa Palomba, Renée McDaniel, and Tracy Landers, the

Boys' Varsity Track 6-5

1st row: Polisky, Brainard, MacKinnon, Tahbaz, Grieb, Frautschi, M. Ostadali-Makhmalbaf, Kle-szczewski, Goldbach. 2nd row: Thomases (mgr.), Fogg, Uribe, Murdza, D. Harris, Rugbart, Abhino-rasaeth. 3rd row: Coach McCurdy, Coach Rockwell, G. Rockwell, Chow, Kaplan, Watson (capt.), Aaron, O'Sullivan, Scullin, Kruse, Coach Glover. 4th row: Levanto, Bailey, G. Young, Hudson, Hara-syko, J. Green, D. Drinker, Babcock, Azer-edo, C. Thomas.

Outstanding leadership by example on the part of Captain Ken Watson and outstanding performances in competition by Paul Frautschi provided the inspiration for a very young and inexperienced team. The only other key senior competitors were Jeff Brainard and Matt Grieb. But juniors Ed O'Sullivan, Gerry Polisky, Jeff Green, Ken Kle-szczewski and Eric Kruse showed real poise and maturity as competitors

and such sophomores and freshmen as Dan Harris, Thomas Uribe, Rich Scullin, Dave Drinker, and Bill Murdza quickly developed into very tough competitors. Especially impressive was sophomore Brian Kaplan's undefeated season in the 440. We had fun and enjoyed the rare luxury of a very successful competitive season in what most coaches

would have called a building year.

Memories will include the long successful trip to the New Englands in Bath, Maine, a horrible day at Hotchkiss in the rain, Rocky's wisdom and lore, O'Sullivan's twelve foot soar, and Frautschi's thundering roar.

Girls' Varsity Track 2-6

Few in numbers, limited in experience, and often injured, we achieved a Suffield first by fielding a team that was able to compete in every event in a full dual meet season. Credit for this has to go to Captain Cristin Gallup's indomitable spirit and example of work, Jill Skaff's tough-minded quickness, Sally Howell's ignoring pain, and Mary Drapeau's willingness to run farther than anybody else. Laura Burek, Robin Smith, Maria Alford, Lisa Hernandez, and Mary O'Brien tried anything they were asked to, and Sara Gorman, Nina Harrop, Linda Labun, and Ann Utley worked hard to make some vital contributions.

Who can ever forget these sweet wins against Canterbury and Kingswood-Oxford, or that special day at Williston when we lost a meet and found our pride?

1st row: Hernandez, M. O'Brien, Gallup (capt.), Skaff, Drapeau, Harrop. 2nd row: Thomases, Azarian, Sheehan, Gorman, Alford, S. Howell, Labun, S. Goodwin, R. Smith, Burek. 3rd row: Coach McCurdy, Coach Rockwell, Coach Glover, G. Young.

Varsity Lacrosse 9-5

The Team:

Arneill, Bosworth, Cartmell, Coelho, Edgcomb, Foster, Gleason, Goodman, Goodwin, Hawkins, Kieger, Macca, Mario, Rice (co-capt.), Romig, Stone (co-capt.), Veseskis, Wakeman, Welti.

Varsity Golf 5-6

Coach Fuller, Orr, Palomba (co-capt.), Beaudry, T. Harris, P. Landers, J. Swanson, B. Smith. Missing: Bitting (co-capt.)

The year of 1979 for the Varsity Golf team was mostly a building year. We had only three returning lettermen from last year consisting of one senior, co-capt. Bill Bitting, and two juniors, Co-capt. Joe Palomba and Matt Beaudry. These three occupied the top starting positions, and were backed up by mostly all underclassmen. Junior John Swanson, Tim Harris, sophomore Sam Orr (7 and 4 for the season), and Phil Landers made up this fairly strong back-up.

Also, Senior Bryan Smith and sophomore Sarge Karch were there whenever needed to fill the number seven position.

We started this '79 season not expecting to win many of the large school matches, and we did not, yet we looked strong against Mt. Hermon and others. Our goal was at least to break even for the season, but unfortunately our last three possible victories were rained out. Our coach, JR Fuller and

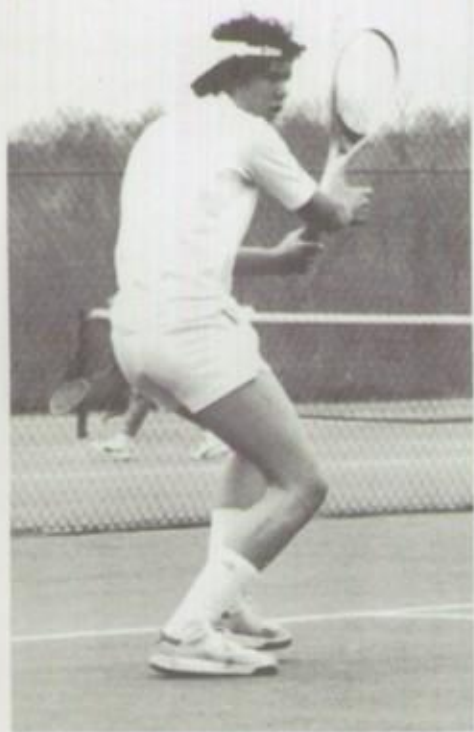

the team, feel we were quite successful this season and have high hopes for next season, for the 1980 Golf team will have seven returning lettermen.

Boys' Varsity Tennis 4-7

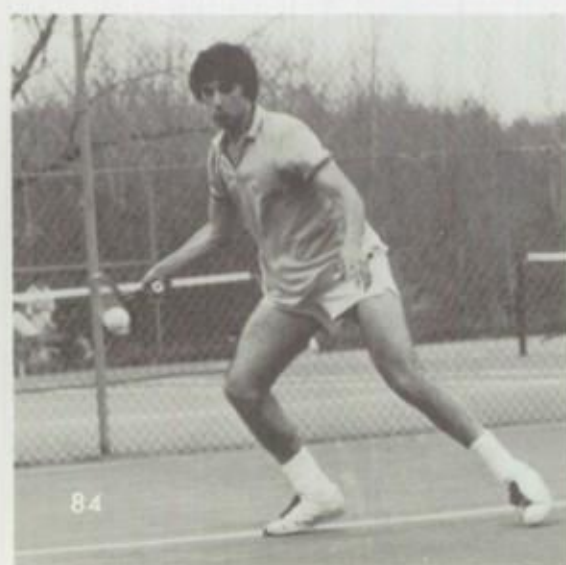

1st row: Stephens, Dutcher, Mulligan, Van Law. 2nd row: Goulet, Barbieri, Aurichio, Spitzler, coach Downes.

After a strong start over the first half of the season, boys' tennis dropped its last five matches to strong opponents and ended the season with a 4-7 record. The highlight of the season was a 5-4 win over Avon, a match that was postponed by rain in the middle of the last, deciding doubles match. Bard Stephens and Steve Dutcher met their opponents again three weeks later, winning the second and third sets in a come-from-behind victory to win the match for Suffield.

Individual successes included wins by Joe Barbieri against Kingswood, Louis Aurichio at Loomis, Rob Goulet with Longmeadow and Bard Stephens against a strong number one player from Westminster, but against those opponents, the team was unable to combine our success. Jim Van Law and Steve Dutcher worked hard and helped at fifth and sixth singles, while Brendon Mulligan played doubles. The doubles teams included Spitzler and Goulet, who will be returning players for next year.

Girls' Varsity Tennis 6-6

1st row: Fuller, (co-capt.) Gondarowski, (co-capt.) K. Vardakis. 2nd row: Coach Hoffacker, Ellenoff, Mitchell, Flynn, Spurr. 3rd row: Bradley, Rogers, K. Campbell. Missing: Kahan, Tucker.

The girls' Varsity Tennis got off to a slow start, but ended with the best record Suffield Academy has ever had. The team consisted of number one Judy Mitchell, number two Claire Kahan, number three Martha Fuller, and number four Kathy Gondarowski. The number one doubles team was Kim Vardakis and Grace Flynn, number two was Debby Rogers and Sara Tucker, and number three was Debby Ellenoff and Kim Campbell.

We started the season by losing to Westfield High, but if given the chance, we would probably have beaten them. Throughout the season, we all improved our game tremendously.

At the start of the season we were all unsure of our abilities, but as time wore on we proved to be a winning team. Our record shows this with six triumphs and six defeats. Even though we will miss our five seniors, we are sure to have a winning team next year. Through the determination and strength of the remaining five players and our coach Mr. Hoffacker, who has helped each one of us a great deal; WE CAN!!

SUFFIELD OUTDOOR EXPERIENCE

After several years of successful ventures, the school's trips program continued this year to offer students and faculty experiences and challenges in a different setting. Following the pattern of past years, a fall extended weekend trip made use of unusually mild weather to climb in the White Mountains. Faculty members Rockwell, Downes and Coerper accompanied twelve students up Cannon Mt. one day and Mts. Lafayette and Lincoln the next, basking in a pouring rain for the last mile or so.

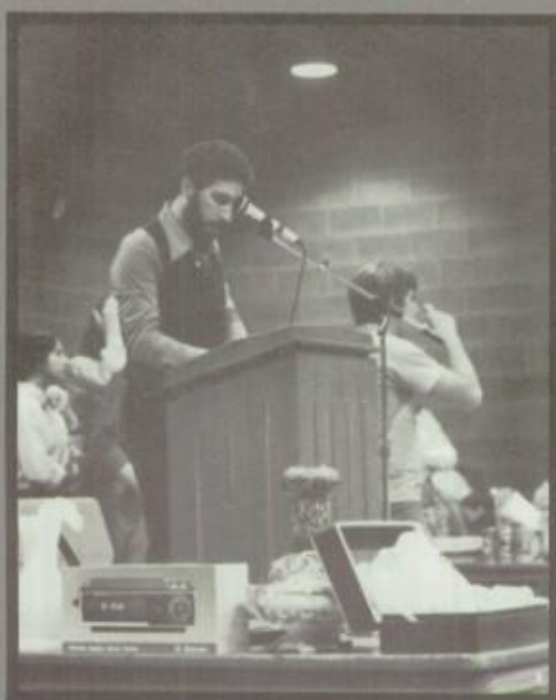

Mr. Graden took a smaller group of stalwarts into the same mountain region in the dead of winter, surmounting the snow cover for an exhilarating hike, unparalleled views across the icy landscape and a sound sleep in minus 20 degree temperatures.

Finally, Burnt Island once again attracted a Suffield contingent over Spring Weekend to a spot six miles off the Maine coast. Surrounded by fir and pine, an abandoned Coast Guard Station, rocky coastline and steady surf on the 300 acre island, thirteen students and Mr. Rockwell, Mr. Downes and Mr. McCurdy slept, played frisbee, scaled cliffs on the island's south side with ropes, pitons and carabiners, feasted on mussels and hot seaweed, and generally unwound from the pace of school life.

For all the good-and-bad weather, fabulous landscape and inevitable food, it was mainly the shared experiences among the people who went which made the trips memorable.

The class of 1979 proudly dedicates the 1979 **Pioneer** to a man who has been our teacher, coach, advisor, counselor, and most of all our friend. His leadership has helped us survive the bad, and rejoice in the good for the past four years, what we have valued most as a class has been his personal concern for each and every one of us. We are grateful for his honest, unending faith in us as a class and his respect for us as individual young adults.

*We present this dedication

Thank you JR,
Thank you Suffield.*

OFFICE OF THE HEADMASTER

To the Class of 1979:

On Commencement Day we focused on each of you, trying to show our gratitude and affection, and certainly our respect for what you accomplished, as individuals and as a class. Your leadership year was a good year, and we shall remember you for your friendliness and enthusiasm.

You are now forever woven into the fabric of this school, as thousands before you, since 1833. My hope is that along the way each of you has been touched by what Suffield can be at its very best, and that you will always cherish this.

Good luck to you all.

To love someone is like a beautiful day, to have someone love you is like that day never ending.

"Your children are not your children. They are the sons and daughters of life's longing for itself. They come through you but not from you, and though they are with you they belong not to you. You may give them your love but not your thoughts. For they have their own thoughts. You may house their bodies but not their souls, for their souls dwell in the house of tomorrow, which you cannot visit, not even in your dreams."

I leave Suffield Academy with my personal feelings and special experiences. To Boas, my long and faithful roommate (all these years, Boas!). To him I must have the last word, "Stu is all yours for tonight" ... Hey, folks, Tunix will always be Tunix no matter what happens. Keulo ... skiing ... Ragged Mountain ... Cartmell ... Butt room fanatics will live on ... Then again watch out for the Brewster girls (they know how to rock climb) ... Sue ... Cameo ... thanks ... and I can't forget you, Suffield Academy ... I loved, hated, been bored, frustrated and excited with you ... it was your watering and sunshine that made me grow to be who I am now.

Thank you.

A goodbye is difficult,
The hurt of going away ...
Painful,
Away from your warmth, beauty
and magical soul,
Now in my lonely travels I know
Your presence will be close
to my side
To comfort me when life is cold
and unfair,
In my reflections of our past ...
I relive the things that you
and I once did,
Though the reality has come
that we must both part,
My memory will never erase
Each sunrise, sunset and star-
lit night
Will bring you closer still.
The fresh dew drops will be
your gentle tears
As the never-ending wheels of
time go on
We will never be apart,
Because your affectionate love
has enloped my heart.

The first thing you must overcome is yourself.

I will always remember Gordy Glover and Coach Peraino, who have really helped me through good times and bad. I wish good fortune, always, to Chris Gleason, who is an outstanding person and dynamite friend. Guyer will always be remembered for the good times, along with Harasyko, Wolfe and Reese. Special thanks are deserved to Coach Bess, Coach Laplante, Jim Antal, and many others whom I was glad to know.

I'm sorry if I missed someone, but this page is too small to accommodate two years of my life. I thank you, Suffield, for the friendships, good times, and especially the chance to grow. Goodbyes never came easy to me, I'll miss you: J.W. (my first friend), C.W., S.K., D.R., S.S., L.S., C.G., B.R., J.R., L.M., N.D., N.B. and everyone else. Kat, I never would have made it without you. Most of all I'd like to thank my family for always being there and if someday I could be half the person my parents are, I'll feel I really accomplished something. To all those who never understood me, I'm sorry, I don't think I ever understood you either. My arriving at Suffield as a junior, was a challenge after leaving Hotchkiss, where I encountered people and made friends who I will always love. To live in a very different environment was not easy, change is a hard thing to enact. To everyone who helped me or made my years at school special, I extend my most sincere gratitude. Thanks are due to more people than initials could fit on this page. To compensate for lack of space, I must limit all the words and names to a thank you that is as sincere as it is short. Words

The notebook opens, the light on and paper empty
nothing is disturbing it.
I try to write the word Love, but it sinks like
a pebble in water, it's gone still again.
I push again, try to spell Life. The page has
something small, a fly in the woods, van-
ishing sound.
I wonder what the small thing is? For I am puzzled.
I am forced to write another. Freedom. The paper
seems to be getting something else on it
a leaf broken from a tree.
What does it mean?

YEARBOOK APHORISMS

We have a problem . . . Don't panic sir, but . . . I can't work with you . . . Has anybody seen the skizzors? . . . Where's the job stamp? . . . Compliments or Complements? . . . I'm positive, I think . . .

We the willing
Led by the unknowing
Are doing the impossible
For the ungrateful.
We have done so much
For so long,
With so little
That we are now qualified
To do anything,
With nothing . . .

Quit shaking the desk . . . go punch a dumpster . . . Is this room a book locker, gym locker, library or study hall, or is it a yearbook room? . . . the Inferior Decorator . . . Down 10 . . . pix . . . sort of definitely . . .
